

**CLUB CAMPING TRIP – ANGLESEY**

*21-23- September 2018*

*Ty Croes, Dwyran, Llanfairpwll, LL61 6RP*

Following the success of last year's club weekend, we have been kindly offered the main field on last year's campsite **Ty Croes campsite** ([www.vineyardcamping.com](http://www.vineyardcamping.com)) just for the clubs use if we want it. Hopefully, people are up for repeating the same great weekend and anyone new or who haven't been before – come along and join the fun.

The set up will be similar i.e. electric and non-electric pitches and will be approximately the same cost (£40/46 per pitch for the two nights). Again, everyone is welcome including partners, children and dogs and there will be a club BBQ on the Saturday night and club base on the beach both days during the events.

As always, junior and senior members are welcome to compete in the Sandman Triathlon events ([www.angleseysandman.com](http://www.angleseysandman.com)) on the Saturday and Sunday if they fancy it, but please enter early to secure your place. For those not wanting to compete, just come along and cheer the others on - it's a great spectator event and fantastic setting.

If you are interested in the weekend, please let me know asap so I can reserve the campsite. We will also require a £20 deposit per pitch and need to know whether you require electric (tent or caravan).

If anyone wants more details please feel free to contact me (07985 287819) or Dave Owen (07701 060944) plus I'm usually around Mondays and Thursday at senior training.

See you in Anglesey!

Lisa Johnston ([lmjohnston@hotmail.co.uk](mailto:lmjohnston@hotmail.co.uk))
